A Message from Dr Walmsley

Thank you

“Thank you to everyone who has wished me well in my retirement. I have always felt it a privilege to be part of my patients' lives, and after more than thirty years with the practice, it was never going to be entirely easy to leave. However, the time was right, and I am looking forwards to the next phase of my life, knowing that the future of the practice is in safe hands, and that everyone will be well looked after. May I take this opportunity to wish all doctors, staff and patients happiness and success in the future.”
